Final Sabin Clinic Sunday
Type II Vaccine Offered

Sabin Vaccine Type II is being offered to every person in this area in the last of three Sabin clinics set up by Appomattox Lions and the Lynchburg Academy of Medicine.

Each person NEEDS SABIN TYPE II, local physician say, in order to gain protection from this type of poliomyelitis. Even those who have not taken the other vaccines, Sabin I and Sabin III should take Sabin II. This Sunday, anytime from noon to 5 p.m. at one of the three county locations: Pamplin Elementary School, Oakville Elementary School, and Appomattox High School.

Local physicians and nurses will be on hand. Other volunteers are taking charge of traffic control and the many details necessary for this large-scale effort to wipe out polio.

No charge is being made for the vaccine, but a 25c donation for each person will be accepted by the Lions Club.

Let's eliminate polio from our community. Be there with your family Sunday.

GINGER CAROLE BEAN

Ginger C. Bean Enters Contest

Ginger Carole Bean, looking forward to graduation from Appomattox High this year, is also looking forward to a gala night for Appomattox, and an opportunity to show some of her considerable talent in the Beauty Contest April 10 at the Appomattox High auditorium.

Ginger is one of the young, vivacious entrants to the Junior Woman's Club contest. She likes horseback riding. She is the Beta Club president; SCA treasurer and active in the Drama Club, FBLA Club, and the Annual staff.

For the years ahead, Ginger says she would like to study at Georgia State College of Business Administration. She is the daughter of Mrs. M. E. Bean, Route 2, Appomattox.

Rebels And Bees Finish In Northern Division Deadlock

The Appomattox Rebels and the Brookville Bees completed the regular basketball season in a tie. Each team has a 9-5 Group II, District IV record. A flip of a coin will determine which team shall be seeded first in the Northern Division tournament.

The Red Devils of Rustburg could have walked away with the first position, but they lost to the William Campbell Generals, 51-45.

The Appomattox Rebels will play either Rustburg or Nelson in the area tourney tonight at the E. C. Glass gym.

Buddy Carson's Rebs are the most improved team in the league. They have won six of their last eight contest including wins over Brookville and Nelson county.

Feb. 18 — appomattox pushed their Group II, District IV record to 9-4, with an important win over the Amherst Lancers. The victory helped push the Rebels toward the district's Northern Division lead.

The Rebels put three men in double-figures. Jimmy Torrence led the attack with 23 and John Farrar and Wilfred Rogers pumped 17 and 10 points respectively.

The Lancers' Sambo Brooks scored 23 points, but this was not enough to spark the visiting team as they were edged 73-62.

APPOMATTOX	G	F	T
Torrence	10	3-6	23
Rogers	4	2-4	10
Farrar	3	11-13	17

Appomattox	11	23	19	20	—	73
Amherst	10	12	21	19	—	62

Feb. 21 — Undefeated Altavista squeaked by the up-and-coming Appomattox Rebels, 72-66, here last Friday night. This was the 17th straight Group II, District IV victory for the Colonels. They finished as they defeated Nelson County Saturday night.

The battle was fast and furious and was only decided in the last few seconds of play. The game, which was tied six times, was the hardest of the season for the Colonels to win. They led by as much as 11 points and by 8 with six minutes left to play, but this lead was cut to a three point margin, with a minute remaining to play. Four foul shots by Akers, then iced the game.

The Rebs "big-four" John Farrar, Jimmy Torrence, Dicky Smith, and Wilfred Rodgers contributed 55 points.

This was a better showing than the match played earlier in the season, in which Altavista flooded the Rebels with a 62-56 win.

ALTAVISTA	G	F	T
Akers	4	10-15	18
West	8	2-3	18

Antique Show March 5, 6, 7

Doctors' wives of the Richmond Academy of Medicine will sponsor "The Second Antiques Show and Sale" March 5, 6 and 7 at the Jefferson Hotel, Richmond. All proceeds benefit Sheltering Arms Hospital and crippled Children's Hospital. Richmond Physicians and Surgeons provide medical and surgical care at both hospitals without recompense.

Variety Act Top Place In Share-The-Fun

Fourteen Junior Division and four Senior Division acts filled out a Share-the-Fun evening for Appomattox county 4-H boys and girls Tuesday night. Senior winners, with a song and dance routine, were Julia Anne Guill and Judy Goodrich, who were awarded a trip to 4-H Short course, and ten silver dollars.

In the Junior Division Frieda Jones, with a fast moving twirling routine, was handed a blue ribbon and ten dollars prize money.

Second and third, senior division: Beth Massey, dressed like a Southern belle in pink who sang three songs in a group, and Grey Holland, who dressed like a "down and out" farmer with a monologue to match her outfit.

Second and third in the junior division: Ronald Kanipe, with a monologue on Antony and Cleopatra, and Donna Jean Hubbard, with a piano solo. Donna substituted for Hal Chambers, who was ill.

Vocation School Entries Open
Classes Start On March 16

Applications for enrollment in the Southside Vocational School are now being taken at the Farmville office of the Virginia Employment Commission, Huston A. Martin, manager, announced Friday.

The vocational training school will open March 16 to train youths from 17 through 21 years of age in selected vocations. An Employment Commission survey has indicated Virginia industry needs and will employ persons trained in these fields.

The school will be operated under the federal Manpower Development and Training program to provide a greater reservoir of skilled workers and to upgrade opportunities in industrial employment.

The school will serve primarily youths in the counties of Amelia, Appomattox, Buckingham, Charlotte, Cumberland Nottoway, Mecklenburg, and Prince Edward.

Bus transportation will be provided daily for the students to and from their homes.

Cinderblocks Needed For Rescue Bldg.

Cinderblocks — by the twos or by the dozens — can help build the new Rescue Squad Building. Appomattox Rescue Squad members have a plot of ground just behind West End Market. And if individuals will give a few cinderblock each, the building will soon get underway. Contact Kenneth Jamerson of the Squad asks householders to look around their own homes. If you have cinderblock you don't need simply bring them to the site of the building, and leave them — or give the Squad a call 352-2961. The new building, when completed, will house the two vehicles operated by the Squad, and will provide a meeting place and additional storage for equipment.

Local Men Will Attend Farm Conference

A banker and professional agricultural worker from Appomattox County will attend the 19th Annual Virginia Bankers Farm Credit Conference at Natural Bridge, Virginia next week.

Those attending include: William A. Hunter, cashier of the Farmer's National Bank and John L. Harrison, soil conservationist for Appomattox County.

More than 200 bankers and professional agricultural workers from throughout the State are expected to attend this Farm Credit Conference. The Conference is sponsored each year by the Virginia Bankers Association in cooperation with Virginia Polytechnic Institute and the Federal Reserve Bank of Richmond.

The Conference will open Sunday, March 1, and end at Noon Wednesday, March 4.

Patrons Asked To Observe The Parking Sign At Post Office

Patrons of the Appomattox Post Office are requested to refrain from parking in the driveway leading to the rear of the building. Recently mail vehicles have experienced great difficulty and delay because patrons have parked in the drive while attending to their postal business. In addition patrons have parked in front of the post office while attending to business in the county offices and doctors offices. These spaces are reserved for postal patrons only. Also you are requested to observe the NO PARKING regulation at the drive-in collection box in front of the post office. If patrons will abide by these rules it will help relieve the traffic congestion at the post office.

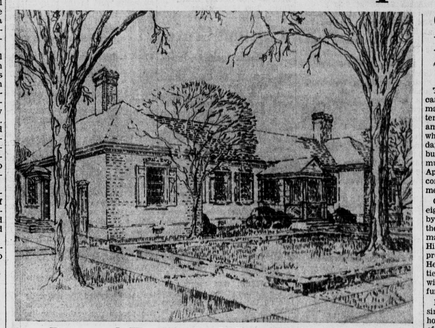
An increasing number of patrons call the post office daily requesting information as to whether or not they have mail in their lockbox or in general delivery. Clerks have been advised not to give out this information via telephone. The local post office serves over 5,000 persons and you can understand the problem involved in trying to answer these requests.

The postmaster and his staff welcome suggestions from the public on ways and means to improve the postal service.

Lee & Grant Seen On New Notepaper

General Lee and General Grant are pictured on notepaper now on sale by the Junior Woman's Club. The sketch by Ed Hopkinson, local artist, has been printed on the notepaper by the TIMES-VIRGINIAN offset press and boxed ready for sale by the Junior Woman's Club of Appomattox. Lee and Grant, plus a sketch of the McLean House in which they met, are the first of several local scenes and historical events planned for reproduction on notepaper to be sold here and throughout the country.

Health, Community Center Plans Presented Supervisors



Proposed Health And Community Center

Willard C. Rhoads, architect of Lynchburg, prepared the sketch above, having met with Dr. F. J. Clements, Appomattox Health Director and the eight-man committee appointed by county supervisors to investigate the need for the new facility. Rhoads pictured the Health Center against a background of trees found at the rear of the courthouse complex. This property, already county-owned, and termed "very desirable" by the committee, has town water and sewage available with parking space planned adjacent to the proposed building.

Clements Says Need Is 'Most Pressing'

The Appomattox Unit, American Cancer Society, and Appomattox Chapter, United Daughters of the Confederacy, are among several local groups which have within the past few days publicly endorsed the building of a Health and Community Center, a project which Appomattox county supervisors considered at their February meeting.

Curry Harvey, chairman of an eight-man committee appointed by the supervisors, reporting to the Board, said the county could make application for federal Hill - Burton funds that would provide 55 per cent of the cost. He said 53 other Virginia counties have erected such buildings with federal aid in Hill-Burton funds.

He said there is a very desirable location behind the court house building for construction of the Health and Community Center. Water and sewage facilities would be available there, as well as ample parking space, he said.

Dr. Francis J. Clements, district health director, said the proposed center is "the most pressing need" among several items the health department would like to have. The present clinic facilities are not satisfactorily located and clinic rooms are "just makeshift", he said.

Other Uses Served

In addition, the committee reported, the clinic would serve as a meeting place, could be of attractive colonial style design and would be a permanent county structure.

Otha Martin, chairman of the board of supervisors, thanked the committee for their prompt report, but said two or three months of study would be needed to ascertain the county's economic ability to undertake the project. He asked that the committee remain in existence for future call by the board.

He asked the committee to continue to collect data and information.

Other Committeemen Speak

W. C. Dudley told the supervisors he had visited three other communities where such facilities have been constructed, and had asked citizens not particularly involved in the county health departments their opinion of the buildings. They were "most enthusiastic," Dudley said.

Dr. A. A. Pruirick said that the present health facilities are "inadequate." He said that the physicians' time could be more efficiently used with better and more spacious working space. Dr. Pruirick said that Hill-Burton funds are being sought by almost all counties.

Curry Harvey said that a request for Hill - Burton funds would have to be made by June of this year, but that the county would not be involved financially until a much later date.

Harvey said that there are at least ten organizations within the community without adequate place to meet. He showed supervisors drawings by a Lynchburg architect with proposed floor plan and outside sketch. He emphacized that these are merely preliminaries to more intensive study of the needs of the community.

A letter from the Woman's Club of Appomattox endorsing the proposed building was given to the supervisors.

More Than $19,000 Helps Local Youth

In addition to the County Health Department budget spent in Appomattox last year, Health Director Dr. Francis J. Clements, reported to county supervisors that more than $19,000 was spent here helping crippled children of the county. These included children needing orthopedic braces and those with facial deformities. These funds are part of the Virginia Maternal and Child Health Fund administered through the County Health Department.

Meet Tonight On Centennial

The Appomattox Civil War Centennial Committee, along with representatives from the civic clubs and organizations in the county, will meet tonight at the Farmers National Bank, 7:30 p.m.

Plans are underway to have each group represented, take on certain phases of the work or activities relative to the commemoration of the 100th Anniversary, during the year 1965. Virginia Civil War Centennial Tags will be distributed to each club, with a special effort to get one on each car in Appomattox. This will be excellent advertising, as vacation time is rapidly approaching.

Fire-Cured Tobacco Growers Vote On Quotas February 28

Appomattox County farmers who grow fire-cured tobacco got a last-minute remainder today about the marketing quota vote to be held Friday, February 28.

Any person who had a share in the 1963 crop of fire-cured tobacco or its proceeds — as owner or operator of a farm or sharecropper — is eligible to vote in the referendum. Also, each person who was either the owner or operator of a farm for which a 1963 tobacco acreage allotment was established is eligible to vote, even though no tobacco was actually produced on the farm in 1963, if an allotment is established for the farm for 1964.

J. A. Martin, Chairman, Agricultural Stabilization and Conservation County Committee, pointed out that in this referendum growers will have the choice of approving or disapproving quotas for the next three crops. If at least two-thirds of the growers voting approve quotas by voting YES, the quotas will remain in effect.

A favorable vote will mean a continuation of the present tobacco program, with penalties on marketings of "excess" tobacco, and price supports on the 1964, 1963 and 1966 crops of fire-cured tobacco.

An unfavorable vote will mean no quotas no penalties, and no price support on the 1964 crop of fire-cured tobacco. In this event, another referendum would be held next year on quotas for the following three crops.

Chairman Martin urges all local polling place on Friday, February 28, and vote.

Wingfield New Insurance Agent

Richard L. Wingfield, Appomattox, has been appointed Resident Agent for Nationwide Insurance Companies according to word received today from Carl Long, local District Sales Manager.

Mr. Wingfield is a native of Virginia. He is a graduate of Appomattox High School, Bluefield Jr. College, and Lynchburg College.

Working in Appomattox and vicinity he will represent Nationwide Life Insurance Company Mutual Insurance Company.

4 P.M. Burning Law In Effect

The 4 p.m. Burning Law becomes effective on March 1, 1964. The Virginia Division of Forestry District Office in Farmville reminds that between March 1 and May 15, 1964 it is unlawful to burn brush, trash, leaves or any other material in or within 300 feet of any forest land, brushland, grassland or other inflammable material, except between the hours of 4 p.m. and 12 midnight.

Foresters remind that the law applies to any open air fire and that every fire should be completely extinguished before leaving it. It is unlawful to leave any open fire untended, even though it was set after 4 p.m.

Forestry personnel urge all possible care and precaution be taken to keep fires from escaping.

HOWARD H. KELLER

Eastern Shore Jaycee To "MC"

The Chairman of the Miss Williamsburg Pageant and host to Miss America last year is coming to Appomattox to 'emcee' the local talent show to name MISS APPOMATTOX of 1964. He is Howard H. Keller, with fourteen years of television and radio experience, and now co-owner of a realty and development company in Williamsburg.

Howard Keller came to Virginia in 1951. He is a Bucks County, Pennsylvania native, the son of Senator and Mrs. Marvin V. Keller. He attended Penn State U. and Columbia University. He was the owner of station WYSR, Franklin, Virginia, before going into real estate in 1962.

This is the first MISS APPOMATTOX contest in several years. A number of local beauties will be offering their talents in a sparkling entertainment show April 10 at Appomattox High School.

Lions To See Film On Free Enterprise

A motion picture termed "one of the best dramatizations of the advantages of our free enterprise system" will be shown to Appomattox Lions tonight. Meeting time: 6:45 p.m. Blue and Gray attendance teams are waging a close battle in the club's drive to attain at least 90 per cent attendance.
